From a very early age Dale and his Dad began their relationship with Easter Seals Tennessee by riding their horses over to Camp and inviting our campers the opportunity to experience the joy of riding a horse. Dale has continued his service to Easter Seals Tennessee as a volunteer, specifically with regards to our annual Youth Fishing Tournament. This event has grown and prospered due to the assistance and involvement of Dale. Moreover, each year he donates the prizes that our campers receive for their participation in the tournament. The smiles that he generates from his contribution are immeasurable and go such long way in positively reinforcing the lives of such special children.
