### **About EnviroClean**

EnviroClean started in 2000 as a social enterprise of Easterseals Capital Region & Eastern CT. This self-sustaining business was developed in order to provide employment training and rehabilitation opportunities for individuals with disabilities while providing income to support Easterseals overall mission.

EnviroClean works in accordance with all state laws and regulations and maintains compliance with Federal CDC standards for cleaning

EnviroClean operates as a social enterprise of Easterseals directly employing individuals with disabilities and fulfilling their goals of independence, self-sufficiency and community integration.

Easterseals is one of America's largest nonprofit health care organizations serving individuals and families with disability, children, veterans, seniors, and caregivers. A leading provider of outcomes based services and powerful advocacy for the one in four people living with disability, Easterseals serves people living with all disabilities throughout the lifespan.

For over 100 years, Easterseals has created lifechanging solutions so that people with disabilities and their caregivers have the peace of mind that comes with knowing that the services they rely on every day will support their goals.

**Our Mission: To provide exceptional services to ensure that all people with disabilities and their families have equal opportunities to live, learn, work and play in their communities.**

**All Abilities. Limitless Possibilities.**
