We are pleased to announce that Easterseals Joliet Region has been awarded a Three-Year Accreditation from CARF International for all programs and services. Easterseals Joliet Region has held CARF Accreditation since 1978.

By pursuing and achieving accreditation, Easterseals Joliet Region, has demonstrated that it meets international standards of quality and is committed to continual excellence.

This accreditation decision represents the highest level of accreditation that can be given to an organization and shows our organization's substantial conformance to the CARF standards. An organization receiving a Three-Year Accreditation has gone through a rigorous peer-review process. It has demonstrated to a team of surveyors during an on-site visit its commitment to offering programs and services that are measurable, accountable, and of the highest quality.

Easterseals Joliet Region is a non profit organization that has been providing critical care services to Will, Grundy, Kendall, Kankakee, Ford, & Iroquois counties since 1949.

CARF International is an independent, non profit accreditor of health and human services whose mission is to promote the quality, value, and optimal outcomes of services through a consultative accreditation process and continuous improvement services that center on enhancing the lives of persons served. Founded in 1966 as the Commission on Accreditation of Rehabilitation Facilities, and now known as CARF International, the accrediting body establishes consumer-focused standards to help organizations measure and improve the quality of their programs and services.

We would welcome an opportunity to further acquaint you with our programs and services and respond to your questions. We believe our organization is a valuable asset, and our CARF accreditation underscores our commitment to the community we serve.
