Easterseals Vermont Programs

Balanced & Restorative Justice

This program has a single mission: to enhance youth-focused restorative justice in the Middlebury District. We create safe, youth-based learning environments, identify skills and resource gaps, and support youth to become productive and invested community members.

Middlebury

Case Reviews

Providing a formal review process for family and legal representatives of the proposed Department for Children and Families case plan prior to submission to the Court.

Newport, St. Johnsbury

Child & Family Support Programs

Collaborate closely with the Department for Children and Families and parents who are striving to establish safety for their children in an effort to help families create wellbeing for their children. This service provides five different interventions: Family Time Coordination, Family Finding, Family Safety Planning, Care Coordination, and Family Time Coaching.

Compass

A prevention and stabilization program that serves at-risk youth and young adults ages 12 to 23. in Rutland county. Our program supports youth and families in developing well-being, education and employment, permanent connections, and stable living environments as youth transition to adulthood.

Rutland

Intensive Family Based Services

Supports children and their families facing challenges that threaten their stability and safety at home and in their community through assessment, case management, facilitating community connections, and identification of family and natural support as well as crisis management planning.

Morrisville, Newport, St. Johnsbury

Post Permanency

Provides additional support for families formed by adoption or guardianship. Services focus on helping families identify their strengths, establish goals, and locate community resources for ongoing support while addressing common issues that many adoptive and kinship families face.

Barre, Bennington, Hartford, Morrisville, Rutland, St. Johnsbury

Substance Use Testing

Coordination of substance use testing services that include observed collection of specimens, shipment of specimens to the Vermont Department of Health lab for analysis, and arranging for test results to be brought back to the DCF worker. The fundamental goal of this service is to inform child safety and risk decision making.

Barre, Bennington, Brattleboro, Morrisville, Newport, Rutland, Springfield, St. Johnsbury

Transportation Services

Transportation services for children and youth accessing parent-child contact support services through Easterseals Vermont.

Barre, Brattleboro, Burlington, Hartford, Middlebury, Morrisville, Newport, Rutland, Springfield, St. Johnsbury

Youth Development Program

Helps youth and young adults ages 14 to 22 formerly in foster care make the transition to adulthood and independent living. Clients determine their goals, and our experienced coordinators create opportunities for them to achieve those goals.
