Easterseals is...

Innovative strategies and supportive 1:1 customized service models, tailored specifically to the individual's needs.

With our services in education, healthcare, and employment, we're working towards a world where every one of us is valued, respected, and accepted in all aspects of society. Our Easterseals provides essential services and on-the-ground support through all stages of life including:

- Autism & Dementia services through our leading neuropsychological practice
- Expanded Medical Rehabilitation services including behavioral health, occupational therapy, physical therapy and speech therapy
- Award winning Vocational Rehabilitation and supported education programs
- Compassionate Adult Day support services including supported employment
- Social enterprises providing high quality janitorial and document destruction and secure electronic recycling services while employing individuals with disabilities
- Active Military, National Guard, Reserve and Veterans programs committed to successful reintegration into all aspects of civilian life.

Easterseals is so much more...

**Employment, Education, Self Confidence,
Independence, Teamwork, and Caregiver Support**

Together We...

Strive for full access and inclusion

Provide essential services and supports for every stage of life

Value the whole person

Impact people where they need us most-- school, work, home or in the community
