Dorothy Tynan	Wife Of Richard J			Allenston, NH	5/31/2022	48,Y,636

Dover man gets posthumous bronze star

Provided by the office of Jeanne Shaheen

DOVER — U.S. Sen. Jeanne Shaheen, D-N.H., participated in the presentation of the Bronze Star to the family of Hospital Corpsman 3rd Class George “Doc” Riordan at City Hall in Dover. He was a Dover native who was killed in action while serving in Vietnam as a medical specialist in the U.S. Navy.

The medal was presented to Riordan’s brother, Martin Riordan, and his siblings. Shaheen and her staff worked closely with the Riordan family as well as his fellow servicemen to obtain this medal from the secretary of the Navy in 2021.

“Doc’s life was one of exceptional service, heroism and sacrifice. The Marines who served alongside Doc are still touched by the ultimate sacrifice made by the 19-year-old medic in Vietnam 50 years ago. To patriots like Doc, we owe not only a debt of gratitude but also a sacred promise to honor their strength of spirit,” said Shaheen. “There are few things that give

Hospital Corpsman 3rd Class George “Doc” Riordan was a Dover native who was killed in action while serving in Vietnam as a medical specialist in the United States Navy.

me more pride than helping veterans obtain the medals they earned while serving. When I learned of Doc’s incredible heroism, I knew it was paramount that we honor him posthumously through the Bronze Star.”

PROVIDED BY CENTER FOR LIFE MANAGEMENT

Members of Rolling Thunder NH and other community members gathered for the remembrance ceremony.

DERRY

POW/MIA remembrance held

Provided by Center for Life Management

DERRY — The Center for Life Management (CLM) in collaboration with Rolling Thunder New Hampshire Chapter One held a remembrance ceremony and raising of the POW/MIA flag on June 6 at CLM’s Tsienneto Road location to honor those brave men

and women who are currently serving, those who have served and the many who have never returned. The POW/MIA flag is a symbol of our nation’s continued commitment to bring home all POW/MIA person from all wars and to never forget.

The POW/MIA Remembrance Ceremony and program included repre-

sentatives from Rolling Thunder NH Chapter One who donated the POW/MIA flag to be added to CLM’s Military Service Memorial flagpole. The flagpole was dedicated in 2015 thanks to a donation by the Searles family. The American Legion Post 9 Honor Guard from Derry raised the POW/MIA flag at the ceremony.

SWAM hosts NH Veterans Summit

Provided by Swim with a Mission

New Hampshire has a lot to offer veterans, and veterans organizations should make those opportunities known, more than 100 people in the state’s veterans community concluded at the second annual Veterans Summit.

The summit was held May 11 at Delta Dental Stadium and hosted by Swim With A Mission.

Those attending representing 37 Veteran Service Organizations, the Veterans Administration (VA), the state Department of Military Affairs and the National Guard.

Throughout the summit these groups worked together on ways to strengthen the veteran service community for the benefit of our veterans in need, improve everyone’s understanding of the current state of play for New Hampshire’s veterans, en-

courage service groups to work together in a more collaborative fashion and brainstorm ideas on how to get more veterans to move to New Hampshire.

A panel discussion was led by Tony Negron, Assistant Commissioner of Safety Eddie Edwards and Executive Council member Ted Gatsas on how to raise the veteran population of the state, which is decreasing and is now below 94,000.

Veterans are reporting that few states are courting veterans to move there, yet veterans make good employees, good citizens and will increase the ranks of the National Guard and State Police, both of whom are having recruiting challenges. The Guard reports that six full college scholarships and one spot at West Point have gone unfilled.

SWAM’s recommendations were that the state take the lead in a coordi-

nated effort with the VA, VSO’s and business communities to give veterans an easy way to locate services, an easy way to find jobs and more affordable housing, and the creation of a national marketing campaign explaining what New Hampshire has to offer veterans.

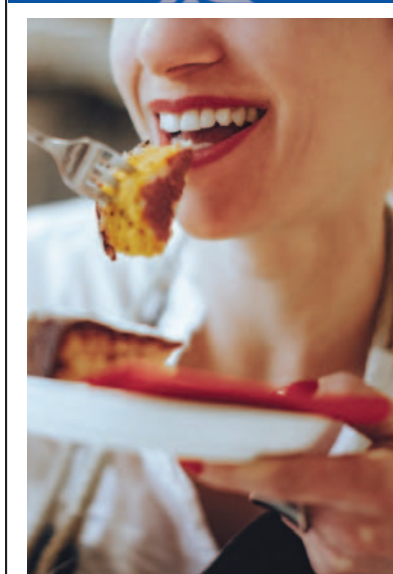

Maureen Beaugard, president and CEO of Easterseals NH, explained the goals and objectives of the proposed Franklin campus for veterans, which is intended to serve as a one-stop-shop to provide a variety of services for veterans.

Suggestions for services there included art therapy, transition services, vocational/job skills training, a greenhouse and gardens, an educational center and computer lab, an auto repair shop, pro bono legal services, child care, VA clinic, and shared space and offices for VSO’s.

Annibale Todesca, the Owner and Executive Chef of the Colosseum Restaurant, studied law at the University of Napoli Law School in Naples, Italy, but decided that cooking would be his life-long career. He wants his diners to enjoy the same Southern Italian cooking that he had enjoyed back home in Italy. Annibale opened the Colosseum Restaurant in 1987 and has since received numerous awards including the Best Italian Chef and Restaurant in the world!

The Colosseum Restaurant is, in fact, the only restaurant to have ever received this award outside of Italy.

Annibale Todesca guarantees a quality meal and a dining experience patrons will never forget.
