- Benadryl
- Aloe Vera gel for sunburn care
- Hydrocortisone cream
- Antibiotic ointment
- Calamine lotion
- After Bite or other similar sting relief
- Hydrogen peroxide (as ½ strength with water for foot or other skin soak)
- Anti-fungal topical medication
- Pepto-Bismol

**** ATTENTION parents and guardians:** *If you are requesting that your camper receive any other over-the-counter medication other than those listed above, we do require an official signed order on provider letterhead from your camper's health care provider with name, dosage, and timing of medication as well as a diagnosis. We thank you in advance for your cooperation. Over-the-counter medications are given at the discretion of the camp nursing staff.*

Your signature indicates you have read the document and understand the above.
